Allotments

It's Spring - time to get out and garden!

Grow your own fresh vegetables, fruit, herbs and flowers. Make friends with people who share your interest in gardening.

Allotments are a great way to relax and from the stresses of life and provide an excellent form of exercise for people of all ages and abilities.

Plots are currently available at the Bempton Lane site. Rent is £35 per plot or £17.50 per half plot annually. Plots are available to residents of Flamborough, Bempton and Bridlington.

If you are interested, please contact the Clerk on 07474 681368 or email at clerk@flamborough-pc.gov.uk

Have your say.

Changes to Planning at

EAST RIDING
OF YORKSHIRE COUNCIL

From April East Riding Council will be publicising all planning applications by posting a site notice or site notices. **The Council will no longer post individual letters** to neighbouring properties.

If you wish to comment or view an application, this can now be done by registering with Public Access on the council's website which allows registered users to:

- view details of planning applications and enforcement notices
- monitor the progress of planning applications and receive updates via email
- submit comments about an application
- view all associated documents, including plans, application forms consultation responses and decision notices with conditions.

Public Access can also be viewed on smart phones and tablet devices and the new site notice will include a QR code that will allow residents to scan the notice and bring up details of an application on their mobile device. Residents that do not have internet access can visit any of the East Yorkshire council's libraries where computers are available to view and comment on planning applications online. This is a free service, but will require residents to register when using the facility. Make a note of the application number or postcode address as given on the site notice before visiting the library.

A step-by-step guide on how to use Public Access can be viewed at www.eastriding.gov.uk/publicaccess You can register for an account upon entering the Public Access website

"COUNCIL CORNER"

December 2016

- The Council agreed to purchase a street light for South Sea Road subject to agreement from the resident living next to the installation.
- The Council agreed to vacant plots on the allotments being grassed over to improve the maintenance of the site.

January 2017

- The Parish Council considered the budget, precept request and resultant impact to Council Tax payer for the 2017/18 year. £39600 will be needed to run village services which means an increase to Council Tax payers from £45.12 in 2016/17 to £47.11 in 2017/2018 based on a Band D property. This is an increase of 2.7%. The Government has in previous years provided a grant to Parish councils to assist with the precept, but this was removed in 2017.
- The council approved for the Clerk to undertake further professional development and work towards the Certificate in Local Council Administration.
- The Council nominated Flamborough Fire Festival for the ERYC Chairman's award.

February 2017:

- The council approved a new seating policy for the parish for people who wished to donate a memorial bench for a loved one. All memorial benches will in future be maintained for a ten year period. After this time families may donate again for a memorial bench. This will not affect any of the commemorative benches that the council have purchased and maintain to commemorate important events or people in the parish.
- The Council agreed in principle to consider changing the electricity supplier for street lighting in order to gain the best value for money for residents of the parish.
